**David Sullivan – Chairman of the Parish Council:**

**Hurstbourne Tarrant Parish Council is committed to continuous improvement, recognising that we can always do better. We also want to be open and responsive, listening to your needs and addressing them as quickly as possible.**

**As part of that commitment we have an established Parishioners Comments and Complaints Procedure which we hope will encourage you to let us know what you think about us and the services we are providing.**

**The Procedure includes clear standards so you know what you can expect from us. We also have a review procedure so if you are unhappy with the response you receive to a complaint you can have it reviewed by the Chairman of the Parish Council.**

**The Parish Council believes that comments and complaints provide a real opportunity to measure how well we are doing. We will therefore report on comments we receive to Parish Councillors once a year.**

**COMMENTS AND SUGGESTIONS**

You may have suggestions to make about the ways the service could be improved and we want to hear about these as well. Use this leaflet to pass on your views.

**COMPLAINTS**

*Complaints* - You can also use this leaflet to make a complaint. If you tell us you are not happy with our service, we will take your complaint seriously and do something about it if we can.

You might want to complain about the service you are receiving, or the way you have been treated. There can be all sorts of things that make people unhappy and we want to hear about them. We will try to explain, put things right, apologise if appropriate and make sure that we learn from what you tell us so it doesn't happen again to someone else. Making a complaint will not disrupt your service.

**How to complain - there is a simple two stage process**
