

Hurstbourne Volunteers

We are very fortunate to live in a Parish that has a strong community spirit. People are always there to assist friends and neighbours whenever they can, but many of us lead busy lives and sometimes it is not always possible to know if there are others who are in need of some help. Also, local authorities are making cut-backs to the services they provide to rural areas and as a community we need a level of 'self-help' to keep our villages tidy and maintained and pick up some of the tasks that have previously been provide by the Council.

There are several volunteering groups in the village already - If you are able to help in any way, please indicate below:

Hurstbourne Swifts - Help! Register

Swifts is a social group that meets monthly in the Community Centre. At its inaugural meeting, it was suggested that we compile a register of people who would be happy to offer help and assistance to neighbours should the need arise. There are times when we all need some help due to illness or during recuperation and other times when we can offer it. Please indicate below if you are happy to go on a register and to be contacted by neighbours who may be looking for assistance in some way.

Help with shopping	Tick	Transport to doctor/hospital appts	Tick	Temporary dog walking	Tick	Temporary gardening help	Tick
---------------------------	------	---	------	------------------------------	------	---------------------------------	------

Please note: by ticking above you are giving permission for your name and contact details to be posted on the Parish Council website.

Parish Working Party

Four times a year we organise working parties in Hurstbourne Tarrant, Ibthorpe and Upton to clear litter and carry out light maintenance to public areas and footpaths. Please indicate below if you are happy to take part:

Parish Working Party	Tick
-----------------------------	------

Church Cleaning and Grounds Maintenance

Please indicate below if you are happy to go on a register to help a few times a year with cleaning, grass cutting and other churchyard maintenance tasks:

Church cleaning	Tick	Grass Cutting	Tick	Church yard maintenance	Tick
------------------------	------	----------------------	------	--------------------------------	------
